Features	This reservations-only, self-parking facility provides the most affordable daily rate. Have an EV? Be sure to request an EV charging spot.	If you require curbside drop off, you can drop your car off directly at the terminal and have it parked for you with our premium valet parking service.	Going to and from the terminal within 24 hours? Value long term parking is your best option when leaving your car for the day.	The parkade is located just steps from the terminal, which is ideal when dropping off or picking up travellers.	Avoid circling the terminals while you wait for your party to arrive! Wait in this complimentary parking lot on Aviation Avenue until your passengers let you know they're ready for a pickup.
